Fill in the gaps

Rolling In The Deep (Cover) by Maddi Jane

There's a fire starting in my heart	Rolling in the deep
Reaching a fever pitch and it's bringing me out the dark	You had my heart (8) your hand
Finally, I can see you crystal clear	And you played it to the beat
Go (1) and sell me out and a I'll lay your ship	Throw your soul through (9) (10)
bare	door
See how I'll leave (2) every (3) of you	Count your blessings to find what you look for
Don't underestimate the things that I will do	Turn my sorrow into treasured gold
There's fire starting in my heart	You'll pay me back in kind
Reaching a fever pitch and it's bring me out the dark	And reap just what you've sown
The scars of your love (4) me of us	
They keep me thinking (5) we almost had it all	We could have had it all
The scars of your love, they leave me breathless	We could have had it all (all)
I can't help feeling	It all, it all, it all
We could have had it all	We could have had it all
Rolling in the deep	Rolling in the deep
You had my heart (6) your hand	You had my heart inside your hand
And you played it to the beat	And you played it to the beat
Baby, I have no story to be told	We could have had it all
But I've heard one on you	Rolling in the deep
And I'm gonna make your head burn	You had my heart inside your hand
Think of me in the depths of you despair	But you played it
Make a home down there as mine sure won't be shared	You played it
The scars of your love remind me of us	You played it
The keep me thinking that we almost had it all	You played it to the beat
The scars of you love, (7) leave me breathless
