

Fill in the gaps

Rolling In The Deep (Cover) by Maddi Jane

There's a fire starting in my heart	Rolling in the deep
Reaching a fever pitch and it's (1) me	You had my heart inside (18) hand
out the dark	And you played it to the beat
Finally, I can see you (2) clear	Throw (19) (20) (21)
Go ahead and sell me out and a I'll lay your (3)	every open door
bare	Count your (22) to find what you look
See how I'll leave with every piece of you	for
Don't underestimate the things (4) I will do	Turn my (23) into treasured gold
There's (5) starting in my heart	You'll pay me (24) in kind
Reaching a fever (6) and it's (7)	And reap just what you've sown
me out the dark	
The scars of (8) love remind me of us	We could (25) had it all
They keep me thinking that we almost had it all	We could have had it all (all)
The scars of your love, they (9) me breathless	It all, it all, it all
I can't help feeling	We could have had it all
We (10) have had it all	Rolling in the deep
Rolling in the deep	You had my heart (26) your hand
You had my heart inside your hand	And you played it to the beat
And you played it to the beat	We (27) (28) had it all
Baby, I (11) no story to be told	Rolling in the deep
But I've heard one on you	You had my heart inside your hand
And I'm gonna (12) your (13) burn	But you played it
Think of me in the (14) of you despair	You played it
Make a home down there as mine sure won't be shared	You played it
The scars of (15) love remind me of us	You (29) it to the beat
The keep me thinking that we (16) had it all	
The scars of you love, they leave me breathless	
I can't help feeling	
We (17) have had it all
