Took a (1) breath in the mirror	Like a little kid
He didn't like it when I wore high heels	I think it's strange that you think I'm funny 'cause
But I do	He never did
Turn the lock and put my headphones on	I've been (15) the last 8 months
He always said he didn't get this song	Thinking all love ever does
But I do, I do	Is break and burn and end
Nalked in expecting you'd be late	But on a Wednesday in a cafe
But you got (2) (3) and you stand	I watched it begin again
and wave	And we walked down the block, to my car
walk to you	And I (16) brought him up
You pull my chair out and (4) me in	But you (17) to (18) about the movies
And you don't know how (5) (6) is	That (19) family watches (20) single
But I do	Christmas
And you (7) your head (8) laughing	And I want to talk about that
Like a little kid	And for the (21) time

You said you never met one girl who	months
Had as many James Taylor records as you	Thinking all love ever does
But I do	Is break and burn and end
We tell stories and you don't know why	But on a Wednesday in a cafe
