Fill in the gaps

Everything You Didn't Do by Jamie Cullum

I (1) meet you in the city		Everything you didn't do
When it's lit up by the stars		Standing right in front of you
In the moonlight we're all pretty		I don't even (12) what to say
'Cause it papers all the scar		About every (13) thing
Ever feel like you belong		'Cause I'm tired and I (14) to go to sleep
To a story you ain't heard		It's so clear now
Doesn't (2)	if it's (3) song	It's so (15) now
And you don't know all the words		It's so clear now
We (4)	put up the sun	It's so (16) now
We are (5)	of all you can see	It's so (17) now
We've got nothing but ti	me	It's so (18) now
You'll find everything you didn't do		That you'll find (19) you didn't do
Everything you didn't do		(Don't (20) up because you wanna know)
Standing right in front of you		(Don't give up)
But euphoric combination		Everything you didn't do
Of a thousand dirty hands		(Don't give up because you wanna know)
There's no (6)	_ for complication	(Don't give up)
On the (7)	we would stand	Everything you didn't do
It's a (8)	exploration	(Don't (21) up (22) you
Where discovery is free		(23) know)
There's no (9)	_ for explanations	(Don't give up)
We exist where we can see		Everything you didn't do
We (10)	put up the sun	(Don't (24) up because you wanna know)
We are citizens of all you can see		(Don't give up)
We've got (11)	but time	Standing right in front of you
You'll find everything yo	ou didn't do
