## The House That Built Me by Miranda Lambert

I know they say	I thought if I could touch this place or feel it
You can't go home again	This brokenness inside me
I just had to come back one last time	Might start healing
Ma'am I know	Out here its (6) I'm someone else
You don't know me from Adam	I thought that maybe I could find myself
But these handprints on the front steps are mine	If I could just come in I swear I'll leave
And up those stairs	Won't take nothing but a memory
In that little back bedroom	From the house that
Is (1) I did my homework	Built me
And I learned to play guitar	You leave home
And I bet you didn't know	You move on
Under that live oak	And you do the best you can
My favorite dog is buried in the yard	I got lost in this whole world and forgot
I thought if I could touch this place or feel it	Who I am
This brokenness inside me might start healing	I thought if I could touch this place or feel it
Out here its like I'm someone else	This brokenness (7) me
I thought that maybe I could find myself	Might start healing
If I (2) just come in I swear I'll leave	Out here its like I'm someone else
Won't take nothing but a memory	I thought that (8) I could (9) myself
From the house that	If I could (10) around I swear I'll leave
Built me	Won't take nothing but a memory
Mama cut out pictures of (3) for years	From the house that
From 'Better Homes and Garden' magazines	Built me
Plans were drawn and concrete poured	
And (4) by nail and board by board
