

## Fill in the gaps

We, the people fight for our existence
We don't claim to be perfect
But we're free
We dream our dreams alone
With no resistance
Fading like the stars we wish to be
You know I didn't mean
What I just said
But my God woke up
On the wrong (1) of his bed
And it just don't matter now
'Cause little by little
We gave you everything
You ever dreamed of
Little by little
The (2) of (3) life
Have slowly fallen off
Little by little
You have to give it all in all your life
And all the time
I (4) ask myself why
You're (5) here
True perfection has to be imperfect
I (6) that (7) foolish, but it's true
The day has come
And now you'll (8) to accept
The life inside your head we give to you
You know I didn't mean
What I just said
But my God woke up

On the wrong side of his bed And it just don't matter now 'Cause little by little We gave you everything You ever dreamed of Little by little The wheels of your life Have slowly fallen off Little by little You have to give it all in all your life And all the time I just ask myself why You're (9)\_\_\_\_\_ here (Hey) Little by little We gave you everything You ever (10)\_\_\_\_\_ of Little by little The wheels of your life Have slowly fallen off Little by little You had to give it all in all your life And all the time I just ask myself why You're really here...
