

Fill in the gaps

We, the people (1)	for our existence	On the wrong (14)	of his bed	
We don't claim to be perfect		And it just don't matter now		
But we're free		'Cause little by little		
We dream our dreams alone		We (15) you everything		
With no resistance		You ever (16)	of	
Fading like the stars we (2) to be		Little by little		
You know I didn't mean		The wheels of your life		
What I (3) said		Have slowly fallen off		
But my God woke up		Little by little		
On the wrong side of his bed	1	You have to (17)	it all in all (18)	_ life
And it just don't (4) now		And all the time		
'Cause little by little		I (19) ask myself why		
We (5) you everything		You're really here		
You ever dreamed of		(Hey)		
Little by little		Little by little		
The wheels of your life		We (20) you everything		
Have slowly fallen off		You ever (21)	of	
Little by little		Little by little		
You have to (6) it all in all your life		The (22)	of your life	
And all the time		Have (23)	fallen off	
I (7) ask (8)	why	Little by little		
You're really here		You had to (24) it all in all your life		
True perfection has to be imperfect		And all the time		
I know that (9) foolish, but it's true		I just ask myself why		
The day has come		You're really here		
And now you'll (10) to accept		Why am I (25)	here?	
The (11) inside	(12) (13) we	Why am I (26)	here?	
give to you				
You know I didn't mean				
What I just said				
But my God woke up
