

Fill in the gaps

We, the people fight for our existence
We don't claim to be perfect
But we're free
We dream our dreams alone
With no resistance
Fading (1) the stars we wish to be
You know I didn't mean
What I just said
But my God woke up
On the wrong side of his bed
And it just don't matter now
'Cause little by little
We gave you everything
You (2) dreamed of
Little by little
The (3) of your life
Have slowly fallen off
Little by little
You have to (4) it all in all (5) life
And all the time
I just ask myself why
You're really here
True (6) has to be imperfect
I know that sounds foolish, but it's true
The day has come
And now you'll have to accept
The life inside your head we (7) to you
You know I didn't mean
What I just said
But my God woke up

On the wrong side of his bed
And it just don't matter now
'Cause little by little
We (8) you everything
You ever dreamed of
Little by little
The wheels of your life
Have slowly fallen off
Little by little
You have to give it all in all your life
And all the time
I just ask myself why
You're really here
(Hey)
Little by little
We gave you everything
You ever dreamed of
Little by little
The wheels of your life
Have (9) fallen off
Little by little
You had to give it all in all your life
And all the time
I (10) ask myself why
You're really here
Why am I really here?
Why am I really here?
