## Misery Business by Paramore

## Fill in the gaps

I'm in the (1)	of misery, let's take it from	Whoa, it was never my intention to brag	
the top		To steal it all away from you now	
She's got a body like an hourglass that's ticking like a clock		But God, does it feel so good	
It's a matter of time before we all run out		'Cause I got him where I (7) him right	t nov
But when I thought he was mine she caught him by the mouth		And if you could then you know you would	
I waited eight long months, she finally set him free		'Cause God, it just (8) so	
I told him I couldn't lie, he was the (2) one for me		It just feels so good	
Two weeks and we caught on fire		I watched his wildest dreams come true	
She's got it out for me but I wear the biggest smile		And not one of them involving you	
Whoa, I never meant to brag		Just watch my wildest dreams come true	
But I got him where I want him now		Not one of them involving	
Whoa, it was (3) r	ny intention to brag	Whoa, I never meant to brag	
To steal it all away from you now		But I got him where I want him now	
But God, does it feel so good		Whoa, I (9) to b	rag
Cause I got him where I want him now		But I got him where I want him now	
And if you could then you know you would		Whoa, it was never my intention to brag	
Cause God, it just feels so		To steal it all away from you now	
It just feels so good		But God, does it feel so good	
Second chances they don't ever matter, people never change		'Cause I got him where I want him now	
Once a whore, you're nothing more, I'm sorry, that'll never		And if you could then you know you would	
change		'Cause God, it just feels so	
And about forgiveness we'r	e both supposed to have	It just feels so good	
exchanged			
I'm (4) (5)	but I passed it up, now		
look this way			
Well there's a million other girls	who do it just like you		
Looking as innocent as possible	e to get to who they want		
And (6) they like, it's	easy if you do it right		
Well I refuse, I refuse, I refuse!			
Whoa, I never meant to brag			
But Last him where I want him	2011
