Remix (I Like The) by New Kids On The Block

She was that girl in the corner

I need it

Thick rimmed glasses

Need it, go

Everybody laughed

Baby I like the new you

Every time she passed us

Come on

Ever the outcast had no flava

No one ever (2)_____ her

I (8)_____ the remix, remix (break it down)

Missing for days

Do what you doing, I like

But nobody missed her

The way you do it

She went from wallpaper to heartbreaker

Do what you doing, I like
