

Fill in the gaps

Broken this fragile thing now	Here I go, scream my (7) out and try get to you
And I can't, I can't (1) up the pieces	You are my only one
And I've thrown my words all around	I let go, there's just no one that gets me like you do
But I can't, I can't give you a reason	You are my only, my only one
feel so broken up	Here I go so dishonestly
(So broken up)	Leave a note for you, my (8) one
And I give up	And I (9) you can see right through me
(I (2) up)	So let me go and you will find some one
(3) want to tell you so you know	Here I go, scream my lungs out and try get to you
Here I go, scream my (4) out and try get to you	You are my only one
You are my only one	I let go, there's just no one, no one like you
let go, there's just no one that gets me like you do	You are my only, my only one
You are my only, my (5) one	My only one, my only one, my only one
Made my mistakes, let you down	You are my only, my only one
And I can't, I can't hold on for too long
