## Just Give Me A Reason by P!nk & Nate Ruess (Fun)

Right from the start		I never stopped
You were a thief, you stole my heart		You're still written in the scars, on my heart
And I, your (1) victing	n	You're not broken, just bent
I let you see the parts		And we can learn to love again
Of me that weren't all that pretty		Our tear ducts and rust
And with every (2) you fix	ked them	I'll fix it for us
Now you've been talking in your sleep		We're collecting (6) but our love's enough
Things you never say to me		You're holding it in
Tell me that you've had enough		You're pouring a drink
Of our love, our love		No, (7) is as bad as it seems
Just give me a reason, just a little bit's enough		We'll come clean
Just a second, we're not broken, just bent		Just give me a reason, just a little bit's enough
And we can learn to (3) again		Just a second, we're not broken, just bent
It's in the stars		And we can learn to love again
It's been (4) in the s	cars, on our hearts	It's in the stars
We're not broken, (5) bent		It's (8) written in the scars, on our hearts
And we can learn to love again		That we're not broken, just bent
I'm sorry I don't understand		And we can learn to love again
Where all of this is coming from		Just give me a reason, just a little bit's enough
I thought that we were fine (we had everything)		Just a second, we're not broken, just bent
Your head is running wild again		And we can learn to love again
My dear, we still have everything		It's in the stars
And it's all in your mind (yeah, but this is happening)		It's been written in the scars, on our hearts
You've been having real bad dreams		That we're not broken, just bent
You used to lie so close to me		And we can learn to love again
There's nothing more than empty sheets		We can (9) to love again
Between our love, our love		We can learn to love again
Our love, our love		That we're not broken, just bent
Just give me a reason, just a little bit's enough		And we can learn to (10) again
Just a second, we're not broken, just bent
