

Fill in the gaps

| This indecision got me climbing up the wall | On our kiss, thought I'd save my breath for you |
|--|---|
| Been cheating gravity and waiting on the fall | Give me (6) rope I'm (7) loose |
| How could this come over me | I'm hanging on you |
| Thought I was above it all | Give me some rope I'm coming loose |
| Our hope's gone up in smoke | I'm pulling for you now |
| Swallow (1) crown | Give me some rope I'm coming out of my head |
| (Choke) | Into the clear |
| On our kiss, thought I'd save my (2) for you | When you go |
| (Choke) | I come |
| On our kiss, thought I'd save my breath for you | Loose |
| Give me (3) rope I'm coming loose | Give me some rope I'm (8) loose |
| I'm hanging on you | I'm hanging on you |
| Give me (4) rope I'm coming loose | Give me some rope I'm coming loose |
| I'm pulling for you now | I'm pulling for you now |
| Give me some (5) I'm coming out of my head | Give me (9) hope I'm coming through |
| Into the clear | I'm counting on you |
| When you go | Give me some (10) I'm coming out of my head |
| I come | Into the clear |
| Loose | When you go |
| These premonitions got me crying up a storm | I come |
| Leave your condition, this position does no harm | Loose |
| (Choke) | |
| On our kiss, thought I'd save my breath for you | |
