

Fill in the gaps

Long Road To Ruin by Foo Fighters

Here now, don't make a sound	Under the cold streetlights
Say, have you (1) the news today?	No tomorrow, no (11) end
One flag was taken down	Long road to (12) there in your eyes
To (2) another in its place	Under the (13) streetlights
A heavy cross you bear	No tomorrow, no dead end in sight
A stubborn heart remains unchanged	Long (14) to (15) there in your eye
No harm, no life, no love	Under the cold streetlights
No stranger singin' in your name	No tomorrow, no dead ends
Maybe the season	For every piece to (16) in place
The (3) change in the valley skies	Forever gone (17) a trace
Dear God, I've sealed my fate	Your horizon takes its shape
Runnin' through hell, heaven can wait	No turnin' back, don't (18) that page
ong (4) to ruin there in your eyes	Come now, I'm leavin' (19) tonight
Under the (5) streetlights	Come now, let's leave it all behind
No tomorrow, no (6) end in sight	Is that the price you pay
_et's say we take this town	Runnin' through hell, (20) can wait
No king or queen of any state	Long (21) to ruin there in (22) eyes
Get up to shut it down	Under the cold streetlights
Open the streets and raise the gates	No tomorrow, no dead ends
know a wall to scale	Long road to ruin there in your eyes
(7) a (8) without a name	Under the (23) streetlights
Head on (9) a care	No tomorrow, no dead ends
Before it's way too late	Long road to ruin there in (24) eyes
Maybe the season	Under the (25) streetlights
The colors change in the valley skies	No tomorrow, no (26) end in sight
Oh God, I've sealed my fate	
Runnin' through hell, heaven can wait	
ong road to (10) there in your eyes
