Long Road To Ruin by Foo Fighters

Here now, don't make a sound

Say, have you (1)_____ the (2)_____ today?

One flag was taken down

To raise another in its place

A heavy cross you bear

A stubborn heart remains unchanged

No harm, no life, no love

No stranger singin' in your name

Maybe the season

The colors change in the valley skies

Dear God, I've sealed my fate

Runnin' through hell, heaven can wait

Long road to ruin there in (3)_____ eyes

Under the cold streetlights

No tomorrow, no dead end in sight

Let's say we take this town

No king or queen of any state

Get up to shut it down

Open the streets and raise the gates

I know a wall to scale

I know a field without a name

Head on without a care

Before it's way too late

Maybe the season

The colors change in the valley skies

Oh God, I've sealed my fate

Runnin' through hell, heaven can wait

Long road to (4)_____ there in your eyes

Under the cold streetlights

No tomorrow, no dead end

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead end in sight

Long road to (5)_____ there in your eyes

Under the cold streetlights

No tomorrow, no dead ends

For every piece to fall in place

Forever (6)_____ without a trace

Your (7)_____ takes its shape

No turnin' back, don't turn that page

Come now, I'm leavin' here tonight

Come now, let's leave it all behind

Is that the price you pay

Runnin' through hell, heaven can wait

Long road to ruin there in (8)_____ eyes

Under the cold streetlights

No tomorrow, no dead ends

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead ends

Long road to ruin (9)_____ in your eyes

Under the cold streetlights

No tomorrow, no dead end in sight
