

Fill in the gaps

Once upon a time I was somebody else
In another life I saw myself
Way back then, back when I was new
Somehere down the line I started to slip
Years gone by, biting my lip
All the while, all (1) (2) I knew
Now you're on your own, one for the pages
Over the hill and through the ages
Does my heaven burn (3) hell on you?
Out beneath the cracks they're coming in waves
Rolling like an earthquake under the pavement
Tell me now, tell me Mr. True
You got a lot of nerve
Now I'll (4) a little backbone why don't you
I'm looking for some back and forth with you
Are you feeling the same as I do?
Now and, now and then
I'm looking for some back and forth with you
Are you feeling the same as I do?
Down and out
Holding my breath, I waited and waited
How'd this (5) life get so complicated?
Shoes to fill, secrets to spill down you
Dear in the headlight, spoke in the wheel

You (6) pretend, I need for real
I'm taking it back, all my IOU's
You got a lot of nerve
Now I'll (7) a little backbone why don't you
I'm (8) for some back and forth with you
Are you feeling the same as I do?
Now and, now and then
I'm looking for (9) back and forth with you
Are you (10) the same as I do?
Down and out
You got a lot of nerve
Now I'll show a little backbone why don't you
I'm looking for some back and forth with you
Are you feeling the same as I do?
Now and, now and then
I'm looking for some back and forth with you
Are you feeling the same as I do?
Now and, now and then
I'm looking for some back and forth with you
Are you feeling the same as I do?
Down and out
