Trip The Darkness by Lacuna Coil

Fill in the gaps

What a day?	As I trip the darkness
I can barely keep my (1) wide open	One more time
I don't wanna see straight	Follow me, follow me
What a day?	I awake from madness
Feels like my breath is heavy again	Just in time
And I'm totally faded	What a day?
Come to me, come to me	I can barely keep my eyes wide open
I am (2) for you	I don't wanna see straight
Come to me	What a day?
I can't wait	Seconds, minutes and hours spill over
Follow me, follow me	There's no time here in space
As I (3) the darkness	Come to me, come to me
One (4) time	Come to me
Follow me, follow me	Come to me, come to me
I (5) from madness	Come to me, come to me
Just in time	I am waiting for you
What a day?	Follow me, follow me
Seconds, (6) and hours (7)	As I trip the darkness
over	One more time
There's no time here in space	Follow me, follow me
What a day?	I (9) from madness
I see beauty in everything	Just in time
But the world is still fading away	Just in time (just in time)
Come to me, come to me	I awake from madness
I am waiting for you	One more time
Come to me	
I can't wait	
Follow me, (8) me
