

Fill in the gaps

What a day?	As I trip the darkness
I can barely keep my eyes wide open	One more time
I don't wanna see straight	Follow me, follow me
What a day?	I awake (13) madness
Feels (1) my (2) is heavy again	Just in time
And I'm (3) faded	What a day?
Come to me, (4) to me	I can (14) (15) my (16)
I am (5) for you	wide open
Come to me	I don't wanna see straight
I can't wait	What a day?
Follow me, follow me	Seconds, minutes and (17) (18)
As I (6) the darkness	over
One more time	There's no (19) in space
Follow me, (7) me	Come to me, come to me
I awake from madness	Come to me
Just in time	Come to me, come to me
What a day?	Come to me, (21) to me
Seconds, minutes and (8) over	I am waiting for you
There's no (10) here in space	Follow me, (22) me
What a day?	As I (23) the darkness
I see beauty in everything	One (24) time
But the (11) is (12) fading away	Follow me, follow me
Come to me, come to me	I (25) from madness
I am waiting for you	Just in time
Come to me	Just in time (just in time)
I can't wait	I (26) madness
Follow me, follow me	One more time
