

## Fill in the gaps

I need another story	Sick of all the insincere
Something to get off my chest	So I'm gonna give all my secrets away
My life (1) kinda boring	This time, don't need another perfect line
Need (2) that I can confess	Don't care if (12) never jump in line
Til all my (3) are stained red	I'm gonna give all my (13) away
From all the truth that I've said	Oh, got no reason, got not shame
Come by it honestly I swear	Got no family I can blame
Thought you saw wink, no	Just don't let me disappear
I've been on the brink, so	I'm a tell you everything
Tell me what you want to hear	So tell me (14) you want to hear
Something that were (4) those years	Something that were (15) (16) years
Sick of all the insincere	Sick of all the insincere
So I'm gonna give all my secrets away	So I'm gonna (17) all my secrets away
This time, don't need another perfect line	This time, don't (18) another perfect line
Don't care if critics never jump in line	Don't care if critics never jump in line
I'm (5) give all my secrets away	I'm gonna give all my secrets away
My God, amazing how we got this far	So (19) me what you want to hear
It's like we're (6) all (7) stars	Something (20) were like those years
Who's driving shiny big black cars	Sick of all the insincere
And everyday I see the news	So I'm gonna (21) all my secrets away
All the problems that we could solve	This time, don't need another perfect line
And (8) a (9) rises	Don't care if critics never jump in line
Just write it into an album	I'm (22) give all my (23) away
Singing straight, too cold	All my secrets away
I don't really like my flow, no, so	All my secrets away
Tell me (10) you (11) to hear	
Something that were like those years
