

Fill in the gaps

woke up in London yesterday	Like this city is on fire night
Found myself in the (1) near Piccadilly	This could be a good life
Don't really know how I got here	A good, good life
got some (2) on my phone	()
New names and numbers that I don't know	Hopelessly
Address to places (3) Abbey Road	I feel like that (19) be something that I'll miss
Day (4) to night, night (5) to	Hopelessly
whatever we want	I feel like the window (20) oh so quick
We're (6) enough to say	Hopelessly
Oh (7) is gonna be good life	I'm taking a mental picture of you now
This is gonna be good life	'Cuz hopelessly
This could be a (8) life, good life	The hope is we have so much to feel (21) about
Say oh, got this feeling that you can't fight	Oh this is gonna be good life
Like this city is on fire night	This is gonna be good life
This could be (9) life	This could be a good life, good life
A good, good life	Say oh, got (22) feeling (23) you can't
To my friends in New York, I say hello	fight
My (10) in L.A. (11) don't know	Like this city is on fire night
Where I've been for the (12) few years or so	This could be good life
Paris to (13) to Col-or-ado	A good, good life
Sometimes there's airplanes I can't jump out	(good, good life, good life)
Sometimes there's bullshit that don't work now	To my (24) in New York, I say hello
We are god of stories but please tell me-e-e-e	My friends in L.A. (25) don't know
What there is to complain about	Where I've been for the past few years or so
When you're (14) (15) a fool	Paris to (26) to Col-or-ado
Let it (16) you over	Sometimes there's airplanes I can't (27) out
When everything is out	Sometimes there's bullshit that don't work now
You (17) take it in	We are god of stories but please (28) me-e-e-e
Oh this is gonna be good life	What there is to (29) about
This is gonna be good life	
This could be good life, good life	
Say oh got (18) feeling that you can't fight
