

Fill in the gaps

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A (1) light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you do it right, you'll (2) where you are
Just know, wherever you go
You can (3) come home
240 thousand miles from the moon
We've come a long way to belong here
To share (4) view of the night
A (5) night
Over the horizon is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the absence of the light is a necessary part
Just know, you're never alone
You can always come back home
Home

Home
You can always come back
Every road is a slippery slope
But (6) is always a hand (7) you can
hold on to
Looking deeper through the telescope
You can see that your home's inside of you
Just know
That wherever you go
No, you're never alone
You (8) always get (9) home
Home
Home
93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
Into our eyes
