93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you do it right, you'll love where you are
Just know, (1)_____ you go
You can always come home...
240 (2)_____ miles from the moon
We've come a long way to belong here
To share this (3)_____ of the night
A glorious night
Over the (4)_____ is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the absence of the (5)_____ is a
(6)_____ part
Just know, you're never alone
You can always come back home...
Home

Home
You can always (7)_____ back
Every (8)_____ is a slippery slope
But there is always a hand that you can hold on to
Looking (9)_____ through the telescope
You can see that your home's inside of you
Just know
That wherever you go
No, you're never alone
You will always get back home....
...
Home
Home
