

Fill in the gaps

93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you do it right, you'll (1)_____ where you are
Just know, wherever you go
You can always come home...
240 thousand miles from the moon
We've come a long way to (2)_____ here
To (3)_____ this view of the night
A (4)_____ night
Over the horizon is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He (5)_____ me, son, (6)_____ it may
seem dark
But the absence of the light is a necessary part
Just know, you're never alone
You can always come back home...
Home

Home
You can always (7)_____ back
Every road is a slippery slope
But there is always a hand that you can hold on to
Looking (8)_____ (9)_____ the
telescope
You can see that your home's inside of you
Just know
That wherever you go
No, you're never alone
You will (10)_____ get back home....
...
Home
Home
...
93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
Into our eyes
