

93 Million Miles by Jason Mraz

93 (1)_____ miles (2)_____ the sun

People get ready, get ready

'Cause here it comes, it's a light

A beautiful light

Over the horizon, into our eyes

Oh, my, my, how beautiful

Oh, my beautiful mother

She told me, son, in life you're gonna go far

If you do it right, you'll love where you are

Just know, (3)_____ you go

You can always come home...

240 thousand miles from the moon

We've come a long way to belong here

To share (4)_____ view of the night

A glorious night

Over the horizon is another bright sky

Oh, my, my, how beautiful

Oh, my irrefutable father

He told me, son, sometimes it may seem dark

But the (5)_____ of the light is a necessary part

Just know, you're never alone

You can (6)_____ come back home...

Home

Fill in the gaps

Home

You can always come back

Every road is a slippery slope

But there is always a hand that you can (7)_____ on to

Looking deeper through the telescope

You can see that your home's inside of you

Just know

That wherever you go

No, you're (8)_____ alone

You will always get back home....

...

Home

Home

...

People get ready, get ready

Over the horizon
