

## Fill in the gaps

Home

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you do it right, you'll love (1) you are
Just know, wherever you go
You can always come home
240 (2) miles from the moon
We've come a long way to belong here
To share this (3) of the night
A glorious night
Over the horizon is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may (4) dark
But the absence of the light is a (5)
part
Just know, you're never alone
You can always come back home
Home

You can always come back	
Every road is a slippery slope	
But there is always a hand that you can (6) on to	
Looking (7) through the telescope	
You can see that (8) home's (9)	o
you	
Just know	
That wherever you go	
No, you're never alone	
You will (10) get back home	
Home	
Home	
93 million miles from the sun	
People get ready, get ready	
'Cause here it comes	
It's a light, a beautiful light	
Over the horizon	
Into our eyes
