It's not you and I

Fill in the gaps

Tonight I'm Getting Over You by Carly Rae Jepsen

I wanna smash your fears	We're not lovers
And get drunken off your tears	But more than friends
Don't you share your smile with	Put a flame to every (7) word you ever said
Anyone else but me	No more crying
I wanna touch your heart	To get me through
I wanna crash it in my hands	I'll keep dancing (8) the morning
Make it (1) and cry as you give up all the lies	With somebody new
We're not lovers	Tonight I'm getting over you
But (2) than friends	Tonight I'm getting over you
Put a flame to every single word you ever said	Tonight I'm getting over you
No more crying	Tonight I'm getting (9) you
To get me through	Over you
I'll keep (3) till the morning	Over you
With somebody new	Tonight I'm getting over you
Tonight I'm getting over you	Tonight I'm getting over you (tonight)
Tonight I'm getting over you	Tonight I'm getting over you
Tonight I'm getting over you	Over you
Tonight I'm (4) over you	
Over you	We're not lovers
Over you	But more than friends
Stuck in a real bad dream	Put a flame to every single word you ever said
And (5) it feels so new to me	No more crying
Should be in your arms	To get me trough
But I'm (6) at your feet	I'll keep (10) till the mornig
It's been a real hard night	With somebody new
And I just hold my pillow tight	Tonight I'm getting over you
You won't love me back no
