Tonight I'm Getting Over You by Carly Rae Jepsen

I wanna smash your fears	We're not lovers
And get drunken off your tears	But more than friends
Don't you share your smile with	Put a flame to every single word you ever said
Anyone else but me	No more crying
I wanna touch your heart	To get me through
I wanna crash it in my hands	I'll keep (7) till the morning
Make it bleed and cry as you give up all the lies	With somebody new
We're not lovers	Tonight I'm getting over you
But more than friends	Tonight I'm (8) over you
Put a (1) to (2) single word you	Tonight I'm getting over you
ever said	Tonight I'm getting over you
No (3) crying	Over you
To get me through	Over you
I'll keep dancing till the morning	Tonight I'm getting over you
With somebody new	Tonight I'm getting over you (tonight)
Tonight I'm (4) over you	Tonight I'm getting over you
Tonight I'm getting over you	Over you
Tonight I'm getting (5) you	
Tonight I'm getting over you	We're not lovers
Over you	But more than friends
Over you	Put a flame to every single word you ever said
Stuck in a real bad dream	No more crying
And then it feels so new to me	To get me trough
Should be in your arms	I'll keep dancing till the mornig
But I'm (6) at your feet	With somebody new
It's been a real hard night	Tonight I'm getting (9) you
And I just hold my pillow tight
