

Living in just one mind

## Fill in the gaps

Well, (1)	was no (2)	to believe	Together forever
She'd always be there			Till the end of time
But if you don't put faith in what you believe in			She knows (she knows)
It's getting you nowhere			There'll (6) be a special place in my heart
'Cos it hurts you never let go			For her
Don't look down			She knows, she knows
Just look up			Yeah, she knows (she knows)
'Cos she's always there behind you			No (7) how far apart we are
Just to remind you			She knows
Two hearts			I'm (8) (9) there beside her
Believing in just one mind			We're two hearts
You (3) we're two hearts			Believing in just one mind
Living in just one mind			Beating together
Well, there's no (4) way to			Until the end of time
To understand it			You know we're two hearts
There's so much of my life in her			Believing in just one mind
And it's (5) I'm blinded			(Together forever)
And it teaches you to never let go			Together forever
There's so much love you'll never know			Till the end of time
She can reach you no matter how far			You know we're two hearts
Wherever you are			Living in (10) one mind
Two hearts			Beating together
Living in just one mind			Till the end of time
Beating together			Two hearts
Till the end of tir	me		
You know we're	two hearts
