

Fill in the gaps

Well, there was no reason to believe	Together forever
She'd always be there	Till the end of time
But if you don't put faith in (1) you	She knows (she knows)
(2) in	There'll always be a (11) place in my heart
It's getting you nowhere	For her
'Cos it hurts you never let go	She knows, she knows, she knows
Don't look down	Yeah, she knows (she knows)
Just (3) up	No (12) how far apart we are
'Cos she's always there (4) you	She knows
Just to remind you	I'm (13) right there (14) her
Two hearts	We're two hearts
Believing in just one mind	Believing in just one mind
You know we're two hearts	Beating together
Living in just one mind	Until the end of time
Well, there's no easy way to	You know we're two hearts
To (5) it	Believing in just one mind
There's so much of my life in her	(Together forever)
And it's like I'm blinded	Together forever
And it (6) you to never let go	Till the end of time
There's so much love you'll never know	You know we're two hearts
She can (7) you no (8) how far	Living in just one mind
Wherever you are	Beating together
Two hearts	Till the end of time
Living in just one mind	Two hearts
Beating together	
Till the end of time	
You (9) we're two hearts	
Living in (10) one mind
