Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn	So lost in the moments when you're in them
Well that's alright because I like the way it hurts	It's the craze that the corporate controls you both
Just gonna stand there and hear me cry	So they say it's best to go your seperate ways
Well that's alright because I love the way you lie	Guess they don't know you
love the way you lie	Cause today, that was yesterday
Eminem]	Yesterday is over, it's a different day
can't tell you what it really is	Silent broken records playing over
can (1) tell you what it feels like	But you promised her next time you'll show restrain
And right now there's a steel knife in my windpipe	You don't get another chance
can't breathe but I still fight while I can fight	Life is no nintendo game, but you lied again
As long as the wrong feels right it's like I'm in flight	Now you get to watch her leave out the window
High off of love, drunk from my hate	I (6) that's why they call it window pane
ts (2) I'm huffing paint	[Rihanna]
And I love it the more that I suffer, I suffocate	Just gonna stand there and watch me burn
And right before I'm about to drown she resuscitates me	Well that's alright because I like the way it hurts
She fucking hates me and I love it, wait	Just gonna stand there and hear me cry
Where you going, I'm leaving you	Well (7) alright because I love the way
No you ain't, come back	you lie
We're running right back	I love the way you lie, I love the way you lie
Here we go again, it's so insane	[Eminem]
Cause when it's going good it's going great	Now I know we said things
'm superman with the wind at his back, she's Lois Lane	Did things that we didn't mean
But when it's bad it's awful I feel so ashamed, I snapped	And we fall back into the same patterns, (8) routine
Who's that dude I don't even know his name	But your temper is just as bad is mine is
(3) hands on her, I'll never stoop so low again	You're the same as me
guess I don't know my own strength	When it comes to love you're just as blinded
Rihanna]	Baby, please come back it wasn't you maybe it was me
Just gonna stand there and watch me burn	Maybe our relationship isn't as crazy as it seems
Well that's alright (4) I like the way it hurts	Maybe that's (9) happens when a tornado meets a
Just gonna stand there and hear me cry	valcano
Well that's alright because I love the way you lie	All I know is I love you too much to walk away though
love the way you lie, I love the way you lie	Come inside, pick up your bags off the sidewalk
Eminem]	Don't you hear sincerity in my voice when I talk?
You ever love somebody so much	Told you this is my fault, look in the eyeball
You can barely breathe when you're with 'em	Next time I'm pissed I'll aim my fist at the drywall
You meet and neither one of you even know what hit 'em	Next time, there won't be no next time
Got that warm fuzzy feeling	I apologize even though I know it's lies
Yeah them chills used to get 'em	I'm tired of the games I just want her back
Now you're getting fucking sick at lookin at 'em	I know I'm a liar if she ever tries to (10)
You swore you'd never hit 'em	leave again
Never do (5) to hurt 'em	I'mma tie her to the bed and set this house on fire
Now you're in each others face	[Rihanna]
Spewing venom in your words when you spit 'em	Just gonna stand there and watch me burn
You push, pull each other's hair, scratch, claw	Well that's alright because I like the way it hurts
Bit 'em, throw 'em down, pin 'em	Just gonna stand there and hear me cry
or em, mow em down, pm em	Well that's alright because I love the way you lie
	I love the way you lie, I love the way you lie
	riovo nie way you ne, riove nie way you ne
