## Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn	So lost in the moments when you're in them
Well that's alright because I (1) the way it hurts	It's the craze that the corporate controls you both
Just (2) stand there and hear me cry	So they say it's best to go your (6) ways
Well that's alright because I love the way you lie	Guess they don't know you
I love the way you lie	Cause today, that was yesterday
[Eminem]	Yesterday is over, (7) a different day
I can't tell you what it really is	Silent broken records playing over
I can only tell you what it feels like	But you promised her next time you'll show restrain
And right now there's a steel knife in my windpipe	You don't get another chance
I can't breathe but I still fight while I can fight	Life is no nintendo game, but you lied again
As long as the wrong feels right it's like I'm in flight	Now you get to watch her leave out the window
High off of love, (3) from my hate	I guess that's why they call it window pane
Its like I'm huffing paint	[Rihanna]
And I love it the more that I suffer, I suffocate	Just gonna stand there and watch me burn
And right before I'm about to drown she resuscitates me	Well that's alright because I like the way it hurts
She fucking hates me and I love it, wait	Just gonna stand there and hear me cry
Where you going, I'm leaving you	Well that's alright because I love the way you lie
No you ain't, come back	I love the way you lie, I love the way you lie
We're running right back	[Eminem]
Here we go again, it's so insane	Now I know we said things
Cause when it's going good it's going great	Did things that we didn't mean
I'm superman with the wind at his back, she's Lois Lane	And we fall back into the same patterns, same routine
But when it's bad it's awful I feel so ashamed, I snapped	But your temper is just as bad is mine is
Who's that dude I don't even know his name	You're the same as me
I laid hands on her, I'll never stoop so low again	When it comes to love you're just as blinded
I guess I don't know my own strength	Baby, please come back it wasn't you maybe it was me
[Rihanna]	Maybe our relationship isn't as crazy as it seems
Just gonna (4) there and watch me burn	Maybe that's what happens when a tornado meets a valcano
Well that's alright because I like the way it hurts	All I know is I love you too much to walk away though
Just gonna stand there and hear me cry	Come inside, pick up your bags off the sidewalk
Well that's alright because I love the way you lie	Don't you (8) sincerity in my voice when I talk?
I love the way you lie, I love the way you lie	Told you this is my fault, (9) in the eyeball
[Eminem]	Next time I'm pissed I'll aim my fist at the drywall
You ever love somebody so much	Next time, (10) won't be no next time
You can barely breathe when you're with 'em	I apologize even though I know it's lies
You meet and neither one of you even know what hit 'em	I'm tired of the games I just want her back
Got that warm fuzzy feeling	I know I'm a liar if she ever tries to fucking leave again
Yeah them chills used to get 'em	I'mma tie her to the bed and set this house on fire
Now you're getting fucking sick at lookin at 'em	[Rihanna]
You swore you'd never hit 'em	Just gonna stand there and watch me burn
Never do nothing to hurt 'em	Well that's alright because I like the way it hurts
Now you're in (5) others face	Just gonna stand there and hear me cry
Spewing venom in your words when you spit 'em	Well that's alright because I love the way you lie
You push, pull each other's hair, scratch, claw	I love the way you lie, I love the way you lie
Bit 'em, throw 'em down, pin 'em
