

Fill in the gaps

So many nights trying to hide it	Now I'm wondering where you've always been
But now I stay awake just (1) for more	And blindly, I came to you
To think this heart was divided	Knowing you'd breathe new life from within
I'm losing sleep cause I can't ignore	
Feeling (2) touch all around	With you in time
And peacefully hearing the sound	There's nothing else
Of silence around us	My life stands still
I'm so glad we found us this way	You are the will (8) makes me strong
	Make me strong
Find me, here in your arms	If ever alone in this (9) I know I'll always
Now I'm wondering (3) you've always been	Find me, here in your arms
And blindly, I came to you	Now I'm wondering where you've always been
Knowing you'd breathe new (4) from within	Blindly, I came to you
I can't get enough of you	Knowing you'd breathe new life from within
	You sleep, here in my arms
I (5) be where you are	Where the world just shuts down for a while
In (6) of need I just want you to stay	Blindly, you came to me
I leave a note on your car	Finding peace and belief in this smile
When I can't find the right words to say	Find (10) peace and belief in this smile
Hearing your voice all around	Find some peace and belief in this smile
The last place we're going is down	I can't get enough of you
I'll blindly follow (7) you're leading the way	
Yeah	
Find me, here in your arms
