

## Fill in the gaps

So many nights trying to hide it	Now I'm wondering where you've always been
But now I stay awake just pleading for more	And blindly, I came to you
To (1) this heart was divided	Knowing you'd breathe new life from within
I'm (2) sleep cause I can't ignore	
Feeling your touch all around	With you in time
And peacefully hearing the sound	There's nothing else
Of silence around us	My (6) (7) still
I'm so glad we found us (3) way	You are the will that makes me strong
	Make me strong
Find me, here in your arms	If ever alone in (8) world I know I'll always
Now I'm (4) where you've always been	Find me, here in your arms
And blindly, I came to you	Now I'm wondering where you've always been
Knowing you'd breathe new life from within	Blindly, I came to you
I can't get enough of you	Knowing you'd breathe new life from within
	You sleep, (9) in my arms
I wanna be where you are	Where the world just shuts down for a while
In times of need I just want you to stay	Blindly, you came to me
I leave a note on your car	Finding peace and belief in this smile
When I can't (5) the right words to say	Find some peace and belief in this smile
Hearing your voice all around	Find some peace and belief in this smile
The last place we're going is down	I can't get enough of you
I'll blindly follow knowing you're leading the way	
Yeah	
Find me, here in your arms
