It's all about us

Fill in the gaps

All About Us by He Is We & Owl City

Take my hand	Do you hear (5) love?
I'll teach you to dance	They're playing our song
I'll spin you around	Do you think we're ready?
Won't let you fall down	(Oh) I'm really feeling it
Would you let me lead?	Do you hear that love?
You can step on my feet	Do you hear that love?
Give it a try	Do you hear that love?
It'll be all right	They're (6) our song
The rooms hush, hush	Do you (7) we're ready?
And now's our moment	(Oh) I'm really feeling it
Take it in fell it all and hold it	Do you hear that love?
Eyes on you, (1) on me were doing this right	Do you hear that love?
'Cause lovers dance when they're feeling in love	Do you hear that love?
Spotlight shinning it's all about us	They're playing our song
It's (2) about us	Do you (8) we're ready?
And every heart in the room will melt	(Oh) I'm really feeling it
This is a feeling I've never felt	Do you hear that love?
But it's all about us	Do you hear that love?
Suddenly, I'm feeling brave	Lovers dance when they're feeling in love
I don't know what's go into me	Spotlight shining it's all (9) us (it's all about us)
Or why I feel this way	It's all
Can we dance real slow?	Every heart in the room will melt
Can I hold you, can I hold you close?	This is a feeling I've never felt
The rooms hush, hush	But it's all about us
And now's our moment	'Cause (10) dance when they're feeling in
Take it in feel it all and (3) it	love
Eyes on you eyes on me were doing this right	Spot light shining it's all about us
'Cause lovers dance when they're feeling in love	It's all about, hey (all about us)
Spot light shining it's all about us	Every heart in the room will melt
It's all about us	This is a feeling I've never felt but
And every (4) in the room will melt	It's all, It's all about us
This is a feeling I've never felt but
