Fill in the gaps

Do you hear that love?

Take my hand I'll teach you to dance I'll spin you around Won't let you fall down Would you let me lead? You can step on my feet Give it a try It'll be all right The rooms hush, hush And now's our moment Take it in fell it all and hold it Eyes on you, eyes on me were doing this right 'Cause lovers dance when they're feeling in love Spotlight shinning it's all about us It's all... about us... And every heart in the room will melt This is a feeling I've never felt But it's all about us Suddenly, I'm feeling brave I don't know what's go into me Or why I feel this way Can we dance (1)_ Can I hold you, can I hold you close? The rooms hush, hush And now's our moment Take it in feel it all and hold it Eyes on you eyes on me were doing (2)_ 'Cause lovers dance when they're feeling in love Spot light shining it's all about us

It's all... about us...

It's all about us

And every heart in the room will melt This is a feeling I've never felt but...
