## Fill in the gaps

### Fast Car (Cover) by Boyce Avenue & Kina Grannis

You got a fast car	You still ain't got a job
I want a ticket to anywhere	And I work in a market as a checkout girl
Maybe we make a deal	I know things will get better
Maybe together we can get somewhere	You'll find work and I'll get promoted
Anyplace is better	We'll (13) out of the shelter
Starting from zero got (1) to lose	Buy a (14) house and live in the suburbs
Maybe we'll make something	So I (15) when we were driving
But me myself I got nothing to prove	Driving in your car
You got a fast car	The speed so fast felt like I was drunk
I got a (2) to get us out of here	City (16) lay out before us
Been working at the convenience store	And your arm (17) nice wrapped 'round my
Managed to save just a (3) bit of money	shoulder
We won't have to drive too far	And I had a feeling that I belonged
Just 'cross the border and into the city	And I had a feeling I could be someone
You and I can both get jobs	Be someone
And finally see what it means to be living	Be someone
You see my old man's got a problem	You got fast car
He live with the bottle that's the way it is	And I got a job that pays all our bills
He says his body's too old for working	You (18) out drinking late at the bar
I say his body's too young to look (4) his	See more of (19) friends (20) you do of
But mama went off and left him	your kids
She wanted more from life (5) he could give	I'd (21) hoped for a better
I said somebody's got to (6) care of him	Thought maybe together you and me would (22) it
So I quit school and that's what I did	I got no plans I ain't going nowhere
You got a fast car	So take your fast car and keep on driving
Is it fast (7) so we can fly away	So I remember (23) we were driving
We gotta (8) a decision	Driving in your car
We (9) tonight or live and die (10)	The speed so fast (24) like I was drunk
way	City lights lay out (25) us
So I remember when we were driving	And your arm felt nice wrapped 'round my shoulder
Driving in your car	And I had a feeling that I belonged
The speed so fast felt like I was drunk	And I had a feeling I could be someone
City lights lay out before us	Be someone
And (11) arm felt nice wrapped 'round my shoulder	Be someone
And I had a feeling that I belonged	You got a fast car
And I had a feeling I could be someone	But is it fast enough so you can fly away
Be someone	You gotta (26) a decision
Be someone	You (27) tonight or live and die (28)
You got a fast car	way
We go cruising to (12) ourselves
