## Fill in the gaps

## Feel This Moment by Pitbull & Christina Aguilera

| Ask for money  | One day (3) my light is glo              | owing        |
|--|--|--------------|
| And get advice                                       | I'll be in my castle golden              | Ü            |
| Ask for advice                                       | But until the gates are open             |              |
| Get money twice                                      | I (4) wanna feel this moment             |              |
| I'm from the dirty                                   | (Come on) I just wanna feel this moment  |              |
| But that chico nice                                  | I just wanna feel this moment            |              |
| You all call it a moment                             | (Come on) Feel this moment               |              |
| I call it life                                       | I see the future but live for the moment |              |
| One day while the light is glowing                   | Make sense don't it                      |              |
| I'll be in my castle golden                          | Now make dollars, I mean billions        |              |
| But until the gates are open                         | I'm a genius, I mean brilliant           |              |
| I just wanna feel (1) moment                         | The street are what schooled him         |              |
| I just wanna feel this moment                        | And made him slicker than Slick Lick th  | e ruler      |
| I just wanna feel this moment                        | I've lost a lot, and (5)                 | a lot        |
| Mr Worldwide   | But I'm still (6)                        | like Shula   |
| Christina Aguilera                                   | I'm far from cheap                       |              |
| (Oye mamita, come on, dale, que la cosa esta rica)   | I break (7) companies with a             | III my peeps |
| I wanna feel this moment                             | Baby we can travel the world             |              |
| Feel this moment                                     | And I can give you and all you can see   |              |
| Reporting live                                       | Time is money                            |              |
| From the tallest building in Tokyo                   | Only difference is I own it              |              |
| Long way from them hard ways                         | Like a stop watch let's stop time        |              |
| Filled with zoes and oye's                           | And enjoy this moment (dale)             |              |
| Dade County always                                   | One day while my light is glowing        |              |
| Three ou five all day                                | I'll be in my castle golden              |              |
| Now baby we can parlay                               | But (8) the gates are open               |              |
| Or baby we can party                                 | I just wanna feel this moment            |              |
| She read books                                       | (Come on) I just wanna feel this moment  |              |
| Especially about red rooms and tie ups               | I just wanna feel this moment            |              |
| I got her hooked                                     | (Come on) Feel this moment               |              |
| 'Cause she see me in a suit with the red tie tied up | I just (9) feel this moment              |              |
| (Christian Gris) nice to meet you                    | I just wanna feel this moment            |              |
| But time is money                                    |  |              |
| Only difference is I own it                          |  |              |
| Now let's stop (2) and enjoy this moment             |  |              |

- 1. this
- 2. time
- 3. while
- 4. just
- 5. learned
- 6. undefeated
- 7. down
- 8. until
- 9. wanna
