

So don't believe in everything

Fill in the gaps

Hey, ney	You think, you think you know
You're almost home	When you're almost there and you're (8)
You're (1) home	home
You're almost home	Just (9) up your eyes and go, go
I've seen the light in the sky	When you're almost there, almost home
In the skies are (2) fireflies	Know you're not alone
Burning bright, just to vanish in the dark	You're almost home
I've held hope in my two hands	
That there would be another chance	When you let your heart be the compass
To find the kingdom, I'm (3) in my	You won't get lost, not if you trust it
heart	When you hear the sound of the trumpet
'Cause underneath the good	Louder than ever before
There's something (4) than you know	(Oh) when you're almost there
When you're almost there and you're (5)	Almost home
home	Just open up your eyes and go, go
Just open up your (6) and go, go	'Cause you're almost there
When you're almost there, almost home	Almost home
Know you're not alone	Know you're not alone
You're almost home	You're almost home
(You're almost home)	When you're (10) there
When you run, run so far	Almost home
You've forgotten who you are	Just open up your eyes and go, go
Where you're from	Almost there
It's like (7) other universe	You're almost home
You count your steps, like they're regrets	Know you're not alone
You catch one breath then lose the rest	You're almost home
Wrong is right	
Right is left	
And there's nowhere left to turn
