Whataya Want From Me by Adam Lambert

Hey, slow it down	I am working it out
Whataya want (1) me?	Please don't give in
Whataya want from me?	I won't let you down
Yeah	It messed me up
I'm afraid	Need a second to breath
Whataya want from me?	Just keep coming around
Whataya want from me?	Hey, whataya want from me?
There might have been a time	(Whataya want from me?)
When I would give myself away	Whataya want from me?
(Oh) once upon a time	Whataya want from me?
I didn't give a damn	(Whataya want from me?)
But now	Just don't (6) up on me
Here we are	I won't let you down
So whataya want from me?	No, I won't let you down
Whataya want from me?	So
Just don't give up	Just don't give up
I am working it out	I am working it out
Please don't give in	Please don't (7) in
I won't let you down	I won't let you down
It messed me up	It messed me up (it messed me up)
Need a second to breath	Need a second to breath
Just keep coming around	Just (8) (9) around
Hey	Hey, whataya want from me?
Whataya (2) from me?	Just don't give up
Whataya want from me?	I am working it out
Whataya want from me?	Please don't give in
Yeah	I won't let you down
It's plain to see	It messed me up
That (3) you're beautiful	Need a second to breath
And there's (4) wrong with you	Just keep coming around (hey)
It's me	Whataya want from me?
I'm a freak	(Whataya want from me?)
But thanks for (5) me	Whataya want from me?
'Cause you're doing it perfectly	(Whataya (10) from me?)
Yeah, there might have been a time	Whataya want from me?
When I would let you slip away	(Whataya want from me?)
I wouldn't even try
