## Candle In The Wind '97 by Elton John

Goodbye England's rose	You lived your life like a (15) in the wind
May you (1) grow in our hearts	Never fading with the sunset
You were the grace that placed itself	When the rain set in
Where lives were torn apart	And (16) footsteps will (17) fall
You called out to our country	here
And you (2) to (3) in	Along England's (18) hills
pain	Your candle's burned out long before
Now you (4) to Heaven	Your legend ever will
And the stars (5) out your name	Goodbye England's rose
And it seems to me	May you (19) grow in our hearts
You lived your (6) like a (7) in the	You were the grace (20) placed itself
wind	Where (21) were (22) apart
Never fading with the sunset	Goodbye England's rose
When the rain set in	From a (23) lost without your soul
And (8) footsteps will always fall here	Who'll miss the (24) of your compassion
Along England's greenest hills	More than you'll ever know
Your candle's (9) out long before	And it (25) to me
Your legend ever will	You lived your life like a candle in the wind
Loveliness we've lost	Never fading with the sunset
Those (10) days (11) your	When the rain set in
smile	And your footsteps will always fall here
This torch we'll always carry	Along England's greenest hills
For our nation's (12) child	Your candle's burned out long before
Even (13) we try	Your legend ever will
The truth brings us to tears	
All our words cannot express	
The joy you brought us through the years	
And it (14) to me
