

Fill in the gaps

You got a reaction	But you think that it's just me teasing you
You got a reaction, didn't you	You got a reaction
You took a white orchid	You got a reaction, didn't you
You took a (1) orchid turned it blue	You took a white orchid
Something better than nothing	You took a (6) orchid (7) it blu
Something better than nothing, it's giving up	Get behind me
We all need to do something	Get behind me now, anyway
Try to (2) the (3) (4)	Get behind me
showing up	Get behind me now, anyway
How dare you	Get behind me
How old are you now, anyway	Get (8) me now, anyway
How dare you	You got a reaction
How old are you now, anyway	You got a reaction, didn't you
How dare you	You took a white orchid
How old are you now, anyway	You took a white orchid turned it blue
You're given a flower	
But I guess there's just no pleasing you	
Your lip (5) sour
