## Fill in the gaps

## Nothing Even Matters by Big Time Rush

'Cause the world stops
When I put my arms around you
Around you
(Oh whoa)
Nothing even Matters (eh eh)
Nothing even matters
It's (1) one for the haters
Two for all of those
Try to shut us down
They don't really know
There ain't (2) they can do
That can tear us apart
No
I don't care about the money
Don't care (3) the clothes
When we're together baby anything goes
We don't even need to prove
What we're (4) of ours
No
This wall we built together
There ain't no way I'm knocking it over
It will be here forever
Getting closer and closer baby
'Cause the (5) stops
When I put my arms around you
Around you
(Oh whoa)
Nothing (6) matters (eh eh)
Nothing even matters

## Fill in the gaps

They can all talk
Say what they want about us
About us
(Oh whoa)
Nothing even matters (whoa)
Nothing even matters
It's like the (7) goes off and people all freeze
They disappear and it's you and me
Anything you wanna do
Anything that you please
(Oh (8) no)
Forget about our problems
Forget about our past
I've see the future and I know you're wonna last
Every (9) I'm (10) you just (11) so fast
