

I'm a do things my way

## Fill in the gaps

	It's my way
Special	My way, or the highway
You think you're special	Some day you'll see things my way
You do	'Cause you never know
can see it in your eyes	No, you never know
can see it (1) you laugh at me	When you're gonna go
_ook down on me	Some day you'll see things my way
And walk around on me	'Cause you never know
Just one more fight	No, you (7) know
About your leadership	When you're gonna go
And I will straight up (2) your ****	
Cause I've had enough of this	Just one more fight
And now I'm pissed	And I'll be history
Yeah	Yes I will (8) up leave your ***
This time I'm a let it all come out	And you'll be the one who's left
This (3) I'm a stand up and shout	Missing me
'm a do (4) my way	Yeah
t's my way	This time I'm a let it all come out
My way, or the highway	This time I'm a stand up and shout
This (5) I'm a let it all come out	I'm a do things my way
This time I'm a stand up and shout	It's my way
'm a do things my way	My way, or the highway
t's my way	This time I'm a let it all come out
My way, or the highway	This time I'm a stand up and shout
Just one more fight	I'm a do (9) my way
About a lot of things	It's my way
And I will give up everything	My way, or the highway
To be on my own again	Some day you'll see things my way
Free again	'Cause you never know
Yeah	No, you never know
This time I'm a let it all come out	When you're gonna go
This time I'm a stand up and shout	Some day you'll see things my way
'm a do things my way	'Cause you never know
t's my way	No, you never know
My way, or the highway	
This time I'm a let it all come out	
This (6) I'm a stand up and shout
