

Fill in the gaps

Set Fire To The Rain (Cover) (Live) by Vázquez Sounds

i let it fall, my neart	vveil, it burned while i cried
And as it fell, you rose to claim it	'Cause I heard it screaming out (13) name
It was (1) and I was over	Your name
Until you kissed my lips and you saved me	I set fire to the rain
My hands, they were strong	And I threw us into the flames
But my knees were far too weak	Well, I felt something die
To stand in your arms	'Cause I knew that that was the (14) time
Without (2) to your feet	The (15) time
But there's a side to you	Sometimes I wake up by the door
That I never knew, never knew	And heard you calling, must be waiting for you
All the things you'd say	Even that when we're already over
They were never true, (3) true	I can't (16) (17) from looking for
And the games you'd play	you
You would (4) win, (5) win	I set fire to the rain
But I set fire to the rain	Watched it (18) as I touch (19) face
Watched it pour as I touched your face	Well, it burned (20) I cried
Well, it burned while I cried	'Cause I (21) it (22) out
Cause I heard it screaming out your name	your name
Your name	Your name
When (6) with you I could (7) there	I set fire to the rain
Close my eyes, (8) you here forever	And I threw us into the flames
You and me together, (9) is better	Well, I felt something die
'Cause there's a side to you	'Cause I (23) that that was the (24) time
That I never knew, never knew	The last time (oh)
All the (10) you'd say	(Oh, no)
They were (11) true, never true	Let it burn
And the games you's play	(Oh) let it burn
You would always win, always win	Let it burn
But I set fire to the rain	(Oh oh oh)
Watched it pour as I (12) your face
