Watched it pour as I touched your face

Fill in the gaps

Set Fire To The Rain (Cover) (Live) by Vázquez Sounds

I let it fall, my heart	Well, it burned while I cried
And as it fell, you rose to claim it	'Cause I heard it screaming out your name
It was (1) and I was over	Your name
Until you kissed my lips and you saved me	I set fire to the rain
My hands, they were strong	And I threw us (8) the flames
But my knees (2) far too weak	Well, I felt something die
To stand in your arms	'Cause I knew that that was the last time
Without falling to your feet	The last time
But there's a side to you	Sometimes I wake up by the door
That I never knew, never knew	And heard you calling, must be waiting for you
All the things you'd say	Even that when we're already over
They were never true, (3) true	I can't help myself from looking for you
And the games you'd play	I set fire to the rain
You would always win, always win	Watched it pour as I touch your face
But I set fire to the rain	Well, it (9) while I cried
Watched it pour as I touched (4) face	'Cause I heard it screaming out your name
Well, it burned while I cried	Your name
'Cause I heard it screaming out (5) name	I set fire to the rain
Your name	And I threw us into the flames
When laying with you I could stay there	Well, I felt something die
Close my eyes, feel you (6) forever	'Cause I knew (10) that was the last time
You and me together, nothing is better	The last time (oh)
'Cause there's a side to you	(Oh, no)
That I never knew, never knew	Let it burn
All the things you'd say	(Oh) let it burn
They were never true, (7) true	Let it burn
And the games you's play	(Oh oh oh)
You would always win, always win	
But I set fire to the rain
