

I will wait here for my man tonight

## Fill in the gaps

Winter's city side	It's easy (6) you're Big in Japan
Crystal bits of snowflakes	You're Big in Japan
Fall around my head and in the wind	You're Big in Japan
I had no illusions	You're Big in Japan
That I'd ever find the glympse	It's when
Of summer (1) in your eyes	You're Big in Japan
You did what you did to me	Then I'll sleep by your (7) all (8)
Now it's history I see	the night
Here's my (2) on the road again	Big in Japan
Things will happen while they can	It's easy to be
I will wait here for my man tonight	I feel you'll see they way
It's easy when you're Big in Japan	Too late, too late
You're Big in Japan	You're Big in Japan
You're Big in Japan	You're Big in Japan
You're Big in Japan	You're Big in Japan
It's when	It's when
You're Big in Japan	You're Big in Japan
Then I'll sleep by your side all through the night	Then I'll sleep by your side all through the night
Big in Japan	Big in Japan
It's easy to be	It's easy to be
Neon on my skin	You're Big in Japan
Passing silhouettes of strange	Then I'll sleep by your (9) all through the night
Illuminated mannequins	Big in Japan
Shall I stay here at the zoo?	It's easy to be
Should I go and change my point of view	You're Big in Japan
For other (3) scenes	You're Big in Japan
You did what you did to me	You're Big in Japan
Now it's (4) I see	It's when
Things will happen (5) they can	Big in Japan
