Winter's city side	it's easy when you're Big in Japan
Crystal bits of snowflakes	You're Big in Japan
Fall around my head and in the wind	You're Big in Japan
I had no illusions	You're Big in Japan
That I'd (1) find the glympse	It's when
Of summer (2) in your eyes	You're Big in Japan
You did what you did to me	Then I'll sleep by (7) side all through the night
Now it's (3) I see	Big in Japan
Here's my comeback on the (4) again	It's easy to be
Things will happen while they can	I feel you'll see they way
I will wait here for my man tonight	Too late, too late
It's easy when you're Big in Japan	You're Big in Japan
You're Big in Japan	You're Big in Japan
You're Big in Japan	You're Big in Japan
You're Big in Japan	It's when
It's when	You're Big in Japan
You're Big in Japan	Then I'll (8) by your side all through the night
Then I'll (5) by your side all through the night	Big in Japan
Big in Japan	It's easy to be
It's easy to be	You're Big in Japan
Neon on my skin	Then I'll sleep by your side all through the night
Passing silhouettes of strange	Big in Japan
Illuminated mannequins	It's easy to be
Shall I stay here at the zoo?	You're Big in Japan
Should I go and change my point of view	You're Big in Japan
For other ugly scenes	You're Big in Japan
You did what you did to me	It's when
Now it's (6) I see	Big in Japan
Things will happen while they can	
I will wait here for my man tonight
