Fill in the gaps

Mirrors (Live) by Justin Timberlake Aren't you something to admire 'Cause your shine is something (1)_____ a mirror And I can't help but notice You reflect in this heart of mine, yeah If you ever feel alone and The glare makes me hard to find Just know that I'm always Parallell on the other side 'Cause with your hand in my hand And a pocket full of soul I can tell you there's no place we couldn't go Just put your hand on the past I'm here trying to pull you through You just gotta be strong 'Cause I don't wanna lose you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to fight for now And I'll tell you baby It was easy (2)_____ back into you once I figured it out You were right here all along It's like you're my mirror My mirror staring back at me I couldn't get any bigger With anyone else beside of me And now it's clear as this promise That we're making Two reflections into one 'Cause it's like you're my mirror My mirror staring back at me, staring back at me Aren't you something An original, 'cause it doesn't seem merely assembled And I can't help but stare 'cause I see truth somewhere in your eye I can't (3)____ change (4)____

You reflect me, I love that about you

'Cause with your hand in my hand

Just put your hand on the past I'm here trying to pull you through

I can tell you there's no place we couldn't go

And a pocket full of soul

You just gotta be strong

And if I could, I would (5)_____ at us all the time

'Cause I don't wanna lose you now
I'm looking right at the other (6) of me
This vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you baby, it was easy
Coming back into you once I figured it out
You were right here all along
It's like you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making
Two reflections into one
'Cause it's like you're my mirror
My mirror staring back at me (staring back at me)
Yesterday is history
Tomorrow's a mystery
I can see you looking back at me
Keep your eyes on me
Baby, keep your eyes on me
London ('cause I don't wanna lose you now)
Put your hands together right now, come on
I'm looking right at the other half of me
This (7) that sat in my heart
Is a space that now you (8) (no, no, no, no)
Show me how to fight for now
And I'll tell you baby that it was easy
Coming back into you once I figured it out
You were right here all along
It's like you're my mirror
My mirror staring (9) at me
I couldn't get any bigger
With anyone else beside of me
And now it's clear as this promise
That we're making
Two reflections into one
'Cause it's like you're my mirror (no, no, no)
My mirror staring back at me, staring back at me
No
Thank you London
