

## Fill in the gaps

## Mirrors (Live) by Justin Timberlake

Aren't you something to admire	'Cause I don't wanna lose you now
'Cause your shine is something like a mirror	I'm looking right at the other half of me
And I can't help but notice	This vacancy that sat in my heart
You reflect in this heart of mine, yeah	Is a space that now you hold
If you ever feel alone and	Show me how to (15) for now
The glare makes me hard to find	And I'll tell you baby, it was easy
Just know (1) I'm always	Coming back (16) you once I
Parallell on the other side	(17) it out
'Cause with your hand in my hand	You (18) right here all along
And a pocket full of soul	It's like you're my mirror
I can tell you there's no (2) we couldn't go	My mirror staring back at me
Just put your (3) on the past	I couldn't get any bigger
I'm here trying to (4) you through	With anyone else (19) of me
You just gotta be strong	And now it's clear as this promise
'Cause I don't (5) lose you now	That we're making
I'm looking right at the other half of me	Two reflections into one
The (6) that sat in my heart	'Cause it's like you're my mirror
Is a space (7) now you hold	My mirror staring back at me (staring (20) at me)
Show me how to fight for now	Yesterday is history
And I'll tell you baby	Tomorrow's a mystery
It was easy coming back into you once	I can see you looking back at me
I figured it out	Keep your eyes on me
You were right here all along	Baby, keep your eyes on me
It's like you're my mirror	London ('cause I don't wanna lose you now)
My (8) staring (9) at me	Put your hands together right now, come on
I couldn't get any bigger	I'm looking right at the other half of me
With anyone (10) beside of me	This vacancy that sat in my heart
And now it's clear as this promise	Is a space that now you hold (no, no, no, no)
That we're making	Show me how to fight for now
Two reflections into one	And I'll (21) you baby (22) it was easy
'Cause it's like you're my mirror	Coming back into you once I figured it out
My mirror staring back at me, (11) back at	You were (23) here all along
me	It's (24) you're my mirror
Aren't you something	My mirror staring back at me
An original, 'cause it doesn't seem merely assembled	I couldn't get any bigger
And I can't help but stare 'cause	With anyone else beside of me
I see (12) somewhere in your eye	And now it's clear as (25) promise
I can't ever change without you	That we're making
You reflect me, I love that about you	Two reflections (26) one
And if I could, I would (13) at us all the time	'Cause it's like you're my mirror (no, no, no)
'Cause with your hand in my hand	My mirror staring back at me, staring back at me
And a pocket full of soul	No
I can tell you there's no place we couldn't go	Thank you London
Just put your hand on the past	Have a great night
I'm here trying to pull you through	
You (14) gotta be strong
