She may be the face I can't forget	She may be the love that cannot (7) to last
A trace of pleasure or regret	May come to me from shadows of the past
May be my treasure or the price I (1) to pay	That I'll remember till the day I die
She may be the (2) that summer sings	She
May be the chill that (3) brings	May be the reason I survive
May be a hundred different things	The why and wherefore I'm alive
Within the measure of a day	The one I'll (8) for (9) the rough
She may be the (4) or the beast	And (10) years
May be the famine or the feast	Me I'll take her laughter and her tears
May turn each day into a heaven or a hell	And make them all my souvenirs
She may be the mirror of my dreams	For where she goes I've got to be
A smile (5) in a stream	The meaning of my life is
She may not be what she may seem	She
Inside her shell	She
She who always seems so happy in a crowd	She
Whose eyes can be so private and so proud	
No one's (6) to see them when they cry
